The 1-2-3 Three Target Match is a quick paced match fired at 5 yards with a Semi Auto Pistol. This match is a great way to test your ability to draw and shoot in the proper sequence and the shortest time..

Equipment:

- 1 - Semi-Auto Center Fire Pistol with Open, Laser or Red Dot sights.
- 2 - Shooters must have two magazines with at least a nine round capacity in each magazine.
- 3 - Side Carry Holster **Only** - **NO** Back, Crossdraw or Shoulder rigs permitted.
- 4 - 18 rounds of ammunition.

Targets: Three 10 inch round bulls eye targets per shooter are used.

Course of Fire –

At the sound of the buzzer, shooter draws from the holster and fires 2 consecutive 9 shot strings.

String 1 1 shot in Left target, 2 shots in middle target, 3 shots in right target, 2 shots in middle target, and 1 shot in left target.

String 2 – 1 shot in right target, 2 shots in middle target, 3 shots in left target, 2 shots in middle target, and 1 shot in right target.

Scoring –

Each shooter is timed. Your score is the time it takes to shoot 2 nine round shot strings. There are no points for bulls eyes, or Xs. You must shoot two nine round shot strings in the sequence above. After firing 18 rounds, each of the three targets must have 6 rounds within the scoring rings. If you shoot any target out of order, or the wrong number of shots at any target, or any shot outside the scoring rings, your time does not count and you are disqualified. The score is the number of seconds to get 18 shots in the correct order in three targets.
