

January 2021 Newsletter

Range Operations:

Did you know that the Dade City Gun Club is operated by all volunteers? From the Range Safety Officers, to the Board of Directors, and to the Thursday crew that does all the maintenance to keep our club safe. All are volunteers. If you would like to become involved contact any of the Board members listed below.

The club is open Friday thru Wednesday, from 9:00 am till 4:00 pm (closed Thursdays). Shooting sessions average 20 minutes and then there is a brief break to check and replace targets.

Public Pistol Range has target positions at 15, 30, 50, and 75 feet. Pistol caliber only.

Public Rifle Range has target positions at 25, 50, 75, & 100 yards. No shotguns or 50 BMG are permitted.

Range Fees: Non-member adults are \$20.00. Youths under 18 years must be under the direct supervision of a member or paying adult.

Thank you! Thanks to a suggestion from Ken Orlando, the soggy cardboard on the overhead baffles have been replaced by plastic boards that not only looks better, but will last 10 times as long, and save the Club considerable money and labor. Do you have a suggestion? It's YOUR club, let's work together to keep it safe, efficient, and looking good.

Safety Tip of the Month: Always keep the gun pointed in a safe direction!

A safe direction means a direction in which a bullet cannot possibly strike anyone. Keep in mind that bullets can penetrate walls and ceilings. Never point your gun at anything you do not intend to shoot. In the event of an unintentional discharge, no injury can occur as long as the muzzle is pointing in a safe direction!

From the old, to the new, and everything in between: Here at the DCGC we see all makes and models of firearms to include collectible antiques, black powder, modern handguns and rifles, and some truly works of art. Strike up a conversation with the shooter at the next bench. You might be surprised what you can learn and maybe make a new friend!

Some humor:

A cop pulls over a 90-year-old woman...

COP: Do you realize how fast you were going?

WOMAN: "No." She answers, looking forward, making no eye contact.

COP: "Twice the speed limit! Ma'am, can I see your license and registration?"

WOMAN: "I can't give you my license," she answers. "I don't have one"

COP: "What about your registration, ma'am?"

WOMAN: "I can't give you that, either." she responds, "This isn't my car, I stole it."

COP: "Do know who owns this vehicle? Where did you steal it from?"

WOMAN: "I got it from the man I killed."

COP: "And where is the man you killed?"

WOMAN: "I chopped him up and placed his body in the trunk."

Stunned and worried, the cop places his hand on his holster and cautiously says to the old woman, "Stay in the vehicle with your hands in view." He gets on his radio and calls for back up and his senior officer to respond. When back up arrives, the Captain walks up to the woman's window with his hand on his firearm and demands: "Ma'am, step out of the vehicle with your hands where I can see them!" The woman complies without hesitation.

CAPTAIN: "Ma'am, do you have your license and registration?"

WOMAN: "Sure do! They're right here," as she pulls them out and hands them to the Captain.

CAPTAIN: "Ma'am, can you open your trunk for me?"

WOMAN: "Sure I can!" She walks over to the trunk and opens it. There's nothing in there.

CAPTAIN: "Ma'am, I'm confused...My officer told me that you didn't have a license, this car was stolen, AND you had a dead body in the trunk..."

WOMAN: With a scoff she replied, "I bet that liar said I was speeding, too"
